

# PAINTING

A career in the painting trade can include painting houses, commercial buildings, bridges and industrial sites. A well trained painter works safely, quickly, efficiently and is proud to complete projects that please their customers. CITC's three-year painting program prepares workers for a wide range of rewarding painting careers with technical and hands-on training. Training topics range from surface preparation, wood finishing, painting with rollers and brushes, painting with sprayers on various surfaces, and texturing.

**NOTE: IT IS CRUCIAL THAT STUDENTS HAVE REQUIRED BOOKS PRIOR TO THE FIRST CLASS MEETING. A STUDENT WHO DOES NOT HAVE BOOKS BY THE END OF THE SECOND WEEK MAY BE SENT HOME AND BE CHARGED WITH AN ABSENCE.**

## PAINTING LEVEL 1

Minimum: 160 hours per year

### PAINTING 101: FALL QUARTER

Students will thoroughly review construction site safety and shop safety and are introduced to trade mathematics; safe use of basic hand and power tools; blueprint reading; rigging and an overview of careers in painting. *Schedule for lab dates will be handed out the first night of class each quarter.*

### PAINTING 102: WINTER QUARTER

Students will learn about painting safety; ladders, scaffolds, lifts and fall protection; identifying surface/substrate materials and conditions; protecting adjacent surfaces; basic surface preparation.

### PAINTING 103: SPRING QUARTER

Students will learn about repair using sealants and fillers; be introduced to paints and coatings; and practice brushing & rolling paints and coatings. Includes OSHA 10 training.

#### REQUIRED BOOKS - PAINTING LEVEL 1

*It is the student's responsibility to have the following book(s) on the first night of class:*

NCCER Commercial & Residential Level 1 Trainee Guide, 2nd Edition	978-0-13-771239-7
NCCER Core Curriculum Trainee Guide, 5th Edition	978-0-13-413098-9

## PAINTING LEVEL 2

Minimum: 160 hours per year

### PAINTING 201: FALL QUARTER

Students will learn about painting failures and remedies; job planning and completion; chemical cleaning and stripping; low pressure water cleaning; abrasive blasting. *Schedule for lab dates will be handed out the first night of class each quarter.*

### PAINTING 202: FALL QUARTER

Students will learn about drywall finishing and patching; stains; clear finishes; wood finishing; and will review green building practices.

### PAINTING 203: FALL QUARTER

Students will learn about high performance coatings; conventional, airless and HVLP spray painting.

#### REQUIRED BOOKS - PAINTING LEVEL 2

*It is the student's responsibility to have the following book(s) on the first night of class:*

NCCER Commercial & Residential Level 2 Trainee Guide, 2nd Edition	978-0-13-771296-0
NCCER Your Role in the Green Environment Trainee Guide, 3rd Ed.	978-0-13-294863-0

## PAINTING LEVEL 3

Minimum: 160 hours per year

### PAINTING 301: FALL QUARTER

Students will learn about painting failures and remedies; job supervision, planning and control; coatings, color and tinting. *Schedule for lab dates will be handed out the first night of class each quarter.*

### PAINTING 302: FALL QUARTER

Students will learn about decorative (faux) finishes; and wall-coverings.

### PAINTING 303: FALL QUARTER

Students will learn about graphics, texturing and spraying with special devices.

#### REQUIRED BOOKS - PAINTING LEVEL 3

*It is the student's responsibility to have the following book(s) on the first night of class:*

NCCER Commercial & Residential Level 3 Trainee Guide, 2nd Edition	978-0-13-949041-5

## PAINTING INSTRUCTORS

As a part of our dedication and commitment to training, we take pride in delivering top quality instructors. CITC's instructors are highly skilled journey-level workers who bring their knowledge and years of trade experience into the classroom. All CITC instructors have been certified by the National Center for Construction Education and Research.

**Robert Knight** started in the painting trade in 1990. CITC faculty member since 2017.

**Ron Robke** started in the trade in 1971. Awarded 2001/2002 CITC Craft Training Instructor of the Year. CITC faculty member since 1998.

**George Wagonblast** started in the painting trade in 1975. CITC faculty member since 2018.
