

PAINTING

A career in the painting trade can include painting houses, commercial buildings, bridges and industrial sites. A well trained painter works safely, quickly, efficiently and is proud to complete projects that please their customers. CITC's three-year painting program prepares workers for a wide range of rewarding painting careers with technical and hands-on training. Training topics range from surface preparation, wood finishing, painting with rollers and brushes, painting with sprayers on various surfaces, and texturing.

HYBRID LEARNING PROGRAM

CITC has taken company-wide measures to help prevent the spread of the COVID-19 virus to ensure the health and safety of students, faculty, staff and the community. Due to the COVID-19 Pandemic, CITC classes will be delivered in a hybrid format with theory classes being offered virtually and small in-person labs scheduled at our facilities throughout the year. All in-person lab sessions will be scheduled to ensure students and faculty can maintain social distancing protocols during lab activities and performance testing.

Students will be required to have access to a computer or tablet device with a working camera and microphone. Additionally, all students will need to have access to a reliable internet source when classes begin in the fall. For additional information on the technical requirements for this program please contact the CITC office at (425) 454-2482.

Note: It is crucial that students have required books prior to the first class meeting. A student who does not have books by the end of the second week may be dismissed from class and charged with an absence.

APPRENTICESHIP MONTHLY WORK LOGS

Apprenticeship monthly work logs can be submitted to the apprenticeship department via email: worklogs@citcwa.org; fax: (425) 289-0085; mail to the CITC main office: **1930 116th Ave NE Bellevue, WA 98004**; or placed in the Drop Box outside of CITC Facilities.

NCCERCONNECT 2.0 WITH PEARSON eTEXT ACCESS CARD

NCCERConnect 2.0 is an online training program that enhances student learning with a range of visual, auditory, and interactive elements. Your Pearson eText Access Card will give you access to an eBook version of the textbook included in the package.

Painting Instructors

As a part of our dedication and commitment to training, we take pride in delivering top quality instructors. CITC's instructors are highly skilled journey-level workers who bring their knowledge and years of trade experience into the classroom. All CITC instructors have been certified by the National Center for Construction Education and Research.

Robert Knight started in the painting trade in 1990 and joined the CITC faculty in 2017.

Erik Pearson started in the trade in 2003. CITC graduate and Student of the Year in 2006, and became a CITC faculty member in 2010.

Ron Robke started in the trade in 1971 and became a CITC faculty member in 1998. CITC Instructor of the Year in 2002.

George Wagonblast started in the painting trade in 1975 and joined the CITC faculty in 2018.
