

# PAINTING

A career in the painting trade can include painting houses, commercial buildings, bridges and industrial sites. A well-trained painter works safely, quickly, efficiently and is proud to complete projects that please their customers. CITC's three-year painting program prepares workers for a wide range of rewarding painting careers with technical and hands-on training. Training topics range from Surface Preparation, Wood Finishing, Painting with Rollers & Brushes, Painting with Sprayers on various surfaces and Texturing.

Students will be required to have access to a computer or tablet device with a working camera and microphone. Additionally, all students will need to have access to a reliable internet source when classes begin in the fall. For additional information on the technical requirements for this program please contact the CITC office at (425) 454-2482.

**Note: It is crucial that students have required books prior to the first class meeting. A student who does not have books by the end of the second week may be dismissed from class and charged with an absence.**

*CITC strives to offer a variety of class schedules and locations for students to select from. To ensure your place in a class of your choice CITC encourages your registration as soon as registration opens. Registration is on a first come, first serve basis. If the class you have selected is full, you will be transferred into the next available class at the CITC facility nearest your home zip code.*

## APPRENTICESHIP MONTHLY WORK LOGS

Apprenticeship monthly work logs can be submitted to the apprenticeship department via email: [worklogs@citcwa.org](mailto:worklogs@citcwa.org); fax: (425) 289-0085; mail to the CITC main office: **1930 116th Ave NE Bellevue, WA 98004**; or placed in the Drop Box outside of CITC Facilities.

## NCCERCONNECT 2.0 WITH PEARSON eTEXT ACCESS CARD

NCCERConnect 2.0 is an online training program that enhances student learning with a range of visual, auditory, and interactive elements. Your Pearson eText Access Card will give you access to an eBook version of the textbook included in the package.
